

# GLOBAL GOALS INTERNATIONAL RAP CHALLENGE 2018

## GOAL

The goal of the Rap Challenge is to let the Youth raise their voice for the Global Goals and to spread awareness under the youngsters and their friend's and family. It's not about being the best rapper or rapping perfect to the beat. The youngsters don't have to be rappers already. It's about sharing the Global Goals.

## HOW IT WORKS

Every country is invited to participate with 1 video (filmed with smart phone) with Youth rapping about Global Goals. These video's will "compete" against each other on facebook and youtube for 2 weeks. The video with the most views and likes will win the "Global Goals International Rap Challenge".

## PRIZE

The prize for the winner is an official song & professional videoclip with me (Jermain Bridgewater). To show you an example you can check the video of the winners from the Global Goals Rap Challenge 2017: <https://www.youtube.com/watch?v=pucDUJEkySE>

## HOW TO GUIDE THE YOUNGSTERS IN 5 SIMPLE STEPS

**STEP 1:** Ensemble 1 to 5 youngsters that want to participate. If more want to participate they are welcome!

**STEP 2:** Watch the "How To Make a Global Goals Rap" instruction video with the youngsters: <https://www.youtube.com/watch?v=vxaSySvT7wA&t=61s>

**STEP 3:** Guide the youngsters with writing their raps and have fun!

If it's 1 or 2 youngster let them write a minimum of 8 bars, with 3 or more youngsters let each of them write a minimum of 4 bars. All the youngster may write more bars if they have inspiration. If they can't find a beat on internet to write on, use the beat I send with this PDF.

**STEP 4:** When their rap is written and they know how to rap it, you can record a simple video with a smart phone (hold the telephone horizontal). You can film wherever you like, everything is okay! See this example: [https://www.youtube.com/watch?v=\\_WVjzEjxNbg](https://www.youtube.com/watch?v=_WVjzEjxNbg)

**STEP 5:** Send the video to me at [jae@noslackin.com](mailto:jae@noslackin.com) via [www.wetransfer.com](http://www.wetransfer.com) and I will add the subtitles and rest of the extra details. So you don't have to edit the video!!
